LEAKS

MEMORANDUM FOR: Chairman, Security Committee
FROM: Director of Central Intelligence
SUBJECT: Leak Investigations

I gave the numbers you collected to Bill Webster today. He wondered how many of their investigations were included in investigations being conducted by other agencies. Both Webster and his deputy are away next week but he said he would tell the man in charge (I don't recall his name) to help you draw up a list of all leaks we know of this year, identifying those under investigation, indicating duplications (FBI investigating leak on list of other agency), and those not getting any investigation.
